

## **R. Edward (Eddie) Fifer**

My name is Eddie Fifer and I want to continue representing you. I am running for VEA-Retired President and the Retired Member-at-Large seat on the VEA Board of Directors.

I am a very active retired teacher from Washington County. I am completing my first term as your Second Retired Member-at-Large seat on the VEA Board of Directors. I have also represented you for two terms as your VEA-Retired Vice-President and as the Ninth Congressional District Representative on the VEA-Retired Council.

I was a very active VEA member during my thirty-year teaching career. Among my many leadership positions in the association, I was local president three times, twice district president, and served on the VEA Board of Directors for two terms. I was also local PAC Chairman for more than a dozen years and still contribute through EasyPay.

It has been and will continue to be my life long mission to serve and represent the active and retired members of our great association. Serving as your President and on the VEA Board of Directors will help me continue my mission and represent the voices of retired members across the state.

Please consider me as a very serious candidate and thank you for your support.
