

Leslie Eloise Gredler

I taught 35 years for Culpeper County Public Schools. I taught all of the elementary grades except kindergarten and fourth grade. I retired from teaching first grade on 6/30/2013. I was always a member of the Culpeper County Education Association. I served as a building rep., as the elementary board member, as Vice-President, as President, as Treasurer, and as membership chair for CCEA. I was a member of the Mountain View UniServ Board and also served as its chairperson. I have been the chairperson of USAC. I served as a member of both NEA and VEA Elections. I also served on the VEA Board from 1997-99. I also have attended several VEA and NEA Conventions.

I would like to be a Delegate to both NEA and VEA Conventions so I can continue to stay informed especially as a retired member.
