I retired from the Lee County School System after teaching thirty-one years. On the local level, I have served as Faculty-Representative, Treasurer, President-Elect, and President. I have served on the VEA Board of Directors and was a member of the Executive Committee for 4 years. During my teaching career, I served on several VEA State Committees. I have been a Delegate to the VEA Delegate Assembly and NEA Representative Assembly for over twenty-five years. In conjunction with the NEA-RA, I have participated in several Outreach to Teach projects. I also participated in the VEA Outreach to Teach project in Dickenson County. I served two years as the 9th District representative on the VEA Retired Council and currently and I am currently the Vice-President of the Retired Council.

I would like the opportunity to serve you again as Vice-President and also as a delegate to the VEA Delegate Assembly and the NEA Representative Assembly.
