

Dennis J. Pfennig

VEA-R Candidate for VEA Board of Directors

If elected, I promise to continue to fight to advance the cause of all retirees, especially in the areas of health care and retirement enhancement. While teaching, I served for twenty years on the Fairfax Education Association (FEA) Board of Directors and as a delegate to both the VEA and NEA Conventions. I served on both the VEA Board and the NEA Resolutions Committee. Since retirement, I helped establish **FEA-Retired**, today serving as vice president of its Council, and sat for five years on the VEA-R Council. I am president of the **FEA-Retirement Housing Corporation** and Secretary and Immediate Past President of **Fairfax County Retired Educators**. I was a **vocal** member of VEA's delegation to the **2013NEA National Convention**. I am dedicated to the ideals of the VEA. I ask your support.
