

Get a Jump Start on your National Board Certification!

VEA's Jump Start

This is an in-depth three-day workshop for educators pursuing their initial National Board Certification. Led by NBCT facilitators, participants dig into their certificate requirements and spend time unpacking the foundational elements of the certification process. Participants gain tips and strategies as they begin their own journey toward becoming an NBCT.

VEA's MOC Jump Start

A one-day workshop for current NBCTs ready to embark on their Maintenance of Certification process. NBCT facilitators guide participants through a review of National Board fundamentals and a deep exploration of the MOC requirements and expectations. Participants gain strategies for success and begin developing their individual plan for completing the one-year MOC process.
